If it is possible, organize a little breakfast like you do a picnic.

The children will never forget it.

Toast, butter, honey and some boiled eggs (cut up to share) will do as well as some juice or milk, plastic cutlery and dishes.

During breakfast everybody listens to the song.

Let the children say: Could I have the butter (honey, jam) please?

I like honey, I like milk, I don't like milk and so on.
