Introduce the farm animals.

Listen to the story and sing the song.

Ask the children whether they have been on a farm or whether they have some of the farm animals at home.

Some people have horses or sheep or chickens as "pets".

Let the children hold one of the animals (flashcards) in front of them and ask the others to do the corresponding animal sound.

Let them do it the other way round, too. (Do the sound and name the animal.)
